INTELLECTUAL PROPERTY FACILITATION CENTRE

(Ahmedabad, Gujarat)

Intellectual Property
Facilitation Centre (IPFC)

Leverage Your IPR for Business Excellence

Confederation of Indian Industry (CII) in association with the Ministry of Micro, Small and Medium Enterprises (MoMSME), Govt. of India has established the Intellectual Property Facilitation Centres (IPFCs) at Ahmedabad with a primary objective to boost IP culture which would enhance the intellectual capital that is vital for the economic development of the Nation.

Objectives

- Enable MSMEs to understand, identify, document, protect & commercialize Intellectual Property for Competitive Advantage
- Set up Public Search Facility at IPFC premises, to train MSMEs / Academia / R & D Labs etc.,
- Provide hand-hold support to MSMEs to leverage IP in their day to day business for excellence.
- Render services for the strategic management of Technology and IPR
- Capacity building by IP awareness and training programs to protect the ideas & innovations to build a strong business model for competitiveness.
- Facilitate creation of an eco-system for the comprehensive awareness & leverage the IPR by all the stake holders.

Building a Virtuous Cycle for IP Creation-Protection-Utilization

IPFC Offers :

- Patentability Assessment i.e. Prior Art Search Report: Prepare a report by which the applicant comes to know about patentability feature of the innovation
- IP Protection Facilitation Services: Filing and Prosecution of Patents, Trademarks, Designs, Geographical Indications and Copyrights in National Phase & International phase through inhouse and network of IP experts
- IP Management Services: Handhold to set up in-house IP Cell from "scratch to launch", to develop the IP Portfolio & commercialize such IPR's
- Training and Awareness: Conducting IPR awareness sessions / Seminars / Training modules at the office of IPFC and also in the premises of MSMEs, Academia, R & D Labs etc.
- Reports & Recommendations: Assist the stakeholders with relevant reports and suggestions, towards facilitating building of a strong IP eco-system
- Innovation / Technology Refinement and Assessment

Services Rendered:

- Orientation on IPR to more than 550 Industries and Innovators
